Blackberry: 706-761-2706

usarmy.benning.mcoe.mbx.afino@mail.mil

- Must have 5 copies of TDY orders with authorized fund cite (DDForm 1610) bringing student to the Jumpmaster Course. If using DTS—ensure the orders are printed in the official DD FM 1610 format. Personnel are **NOT** authorized to attend in a permissive TDY status or on leave. See Attachment
- Must have ATRRS reservation
- Must be in a J-coded position on UMD
- Must have 12 months on jump status
- Must have current Class III physical documented/completed on DD 2808 as well as AF FM 1042. Both forms must state: “Qualified for Airborne or Static-line parachuting.”
- Must have Parachutist Aeronautical Orders AF FM 1887 published by the individual’s HARM office IAW AFI 11-410/402.
- Must have made a current static line jump within the last 180 Days
- Must bring Airborne grad certificate (copy is GTG)
- Must have copy of Individual Jump Record and Jump History Report. Requested from supporting HARM office.
- Must have a minimum of 12 jumps from a high performance A/C [C-130/C-17].
- Must have completed US Army Physical Fitness Test within 30 days of class start date in the 17-21 year old age group with a minimum score of 60%. The AFPT will be documented on form DA 705.

REPORTING INSTRUCTIONS

All Air Force students will report to Building 2769 at 0530 with all administrative paperwork. In addition, AF students must bring an advanced combat helmet, ID card and ID tags. **NO MULTI-CAMS**

At 0700 on Day 1, students will be tested on the nomenclature packet. It is strongly recommended that students know the nomenclature packet, the master study guide and the entire T11 pre-jump prior to reporting for Jumpmaster school.

All school information can be obtained by visiting the Ft. Benning website for Jumpmaster school. <http://www.benning.army.mil/infantry/199th/1-507th/jumpmaster/>
